

## Cheltenham Primary School

Cheltenham Primary School is committed to the safety, care and wellbeing of all children and young people. Our school has a zero tolerance for child abuse.

Cheltenham Primary School is dedicated to providing a child safe environment where children and young people feel safe and are safe. A place where their voices are heard and valued. This includes the cultural safety of Aboriginal and Torres Strait Islanders and children from culturally or linguistically diverse backgrounds. It encompasses the safety of any child or young person with a disability. Our school's commitment to inclusivity is embedded in all aspects of school life, and is supported by our school values of *Kindness, Respect and Responsibility*; our culture, policies and every day practices.

Every community member of Cheltenham Primary School has a responsibility to understand the importance of their role, individually and collectively, to ensure that the wellbeing and safety of all children and young people, is at the centre of every decision and action they make.
